NUMBOTS

Well done to all the children in Swaledale class who have been working so hard on their numeracy.

This week they have been presented with certificates for their achievements on the Numbots computer programme.

Share a Million Stories

Thanks to all those family members who were able to come in and spend some time in class with the children on World Book Day and help us to 'share a million stories'. Reading with your child is one of the best ways to help their education and can bring enjoyment, creativity, imagination, greater self-esteem, empathy, relaxation, escapism and improved communication skills. If you want any help or guidance on ways to help with your child's reading please talk to their class teacher.

A Busy Week in Reception!

Suffolk and Cotswold Class have had a busy week this week. On Tuesday they had a visit from Kingsway Vets to teach them all about how to look after pets and what a vet does. They even performed an operation on a poorly (stuffed) dog who had eaten a sock!

On Wednesday all Reception children took part in the Balance Festival at Greatwood Primary School. They were all exhausted after taking part in a number of fun activities, but they thoroughly enjoyed it!
