Teeswater:	Evie & David	Cheviot:	Lila & Jessica
		Herdwick:	Maisie & Corey

**Well done, we're all proud of you!**

A huge 'Thank You' to our lovely PTA for the Easter Eggs. The children were so surprised!

**RED  
NOSE  
DAY**

Thank you everyone. We raised £232 for Comic Relief. If you would still like to donate please go to [www.justgiving.com/fundraising/skipton-parish-church-primary-school2](http://www.justgiving.com/fundraising/skipton-parish-church-primary-school2).

Dear Parents and Carers,

As we come to the end of this term, our school is once more filled with laughter and learning. Your children have yet again amazed us all with ability to adapt to situations and take things in their stride. I appreciate that there has been a lot in the media about children falling behind. The assessments that took place when the children returned have helped us to identify any gaps in their learning. We are very pleased to welcome David Shaw to the teaching team who will be working with some of our children. For more information about how we are using our 'catch up' funding, please follow this [link](#).

We are also looking at restarting after-school sports clubs and peripatetic music teaching in the summer term. More information will be available after the Easter holidays.

On Tuesday, we all took a moment to stop, reflect and remember those who have been isolated and scared and those who have lost loved ones over the last twelve months due to Covid-19. Our prayers and thoughts are with them all.

Finally, I would like to wish you all a happy Easter and look forward to welcoming you back to school on Tuesday 13th April.

With Best wishes,

Lucy Peberdy

You might not be able to spend the Easter holidays with our loved ones this year, but that doesn't mean you can't have fun at home. See our ideas below...

### Play board games

The old classics like Monopoly and Cluedo are always a great way to spend an afternoon. You can even dig out a pack of cards for a simple game of Snap, Go Fish or Rummy.

### Hold an Easter egg hunt

Keep everyone entertained for a couple of hours by setting up the ultimate treasure hunt around the house or garden.

First pick out your route and decide where you're going to hide each clue. Then you can either fold clues like a treasure hunt and get your children to gather them up before reaching a treat at the end, or you can leave edible clues along the way.

### Make a den

Being stuck indoors doesn't have to be boring. Create your very own den using pillows, blankets, sheets or anything else you have. Then cosy up and watch a movie together, listen to music

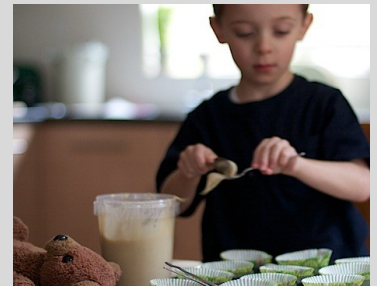

### Hold a disco

Turn up the music and get your kids dancing in the living room this Easter. Sit down with the family and create a playlist of all your favourite songs, before putting up some fairy lights, getting into your best party wear and having a great afternoon.

### Bake

It's time to get in the kitchen and make some delicious Easter treats.

Whether that's hot cross buns, homemade bread or chocolate cake, your children will love getting creative with the decoration.

### Do arts and crafts

You're never too old to get creative, so grab the colouring pencils, paints and any household items you might have. Everyone will enjoy making collages, models or colourful paintings to brighten up the walls.

### Create an obstacle course

Building obstacle courses is cheap and easy fun for the whole family.

Head out to the garden and turn everyday objects into fun tasks and activities and make your own Taskmaster
