Herdwick: Harvey

Well done everyone

Christian Values....Have your say

As our wider school community, we ask each half term if you would choose one of our Christian values for us to focus on. We shall be looking at Service during our Collective Worship and we would appreciate it if you would select another. Please follow the link below to log your preference. Thank you.

Please can you remember to order your child's school dinner. Remember orders can be placed up to the end of term. Why not look through the menus and choose all the meals if you have time this weekend. Currently there seems to be a large number of children who have not have ordered and school staff are having to do this for

them, which is taking up time that should be used for other things. Ordering in advance also helps the staff in the kitchen plan and purchase only the food that is needed, and means that your child will get the meal that they really want, rather than what is available. If you require support with how to order, please contact Mrs Neal in the school office.

This week at Parish...

On the last day, before the half term break, Years 3 and 4 hosted a Pentecost Party "We had a great time celebrating the Birthday of the Christian Church with our Pentecost Party. We made flame headbands to represent the flames on the disciples heads. We learnt some different languages, created stained glass windows, decorated cakes and had lots of fun. "

In English, Cheviot have been looking at different types of poetry. They have done some amazing performances this week. Here they are, using the imagery from Robert Frost's poem to create some sketches.

Cotswold Class have been refining their bowling, throwing and catching skills.

Swaledale Class have been planting sunflower seeds in science.

Year 3 started swimming lessons and the School Council held their first meeting.
