You have chosen for us to focus on

Truthfulness

Summer Holiday Club..

Unfortunately, due to the planned building work at school, we will not be able to run any holiday club over the summer break. We hope to reintroduce the clubs next school year.

Some of you may 'bee' aware of Radio 2's Big Bee Challenge. We have shared this with the children in school as we are running our own mini-competition in school. Not only can the children enter into the BBC challenge, which has to be done by parents, but also submit their designs to school. We would like our front garden at school to attract more bees and the winning design, which will be judged by Mr Langdale, will become our front garden (with his help!!) More information can be found at

[BBC Radio 2 - Radio 2's Big Bee Challenge - How to Enter](#)

Please can children bring their designs to school by Monday 5th July.

This week at Parish...

In Science, Dalesbred have been classifying rocks by their properties, Teeswater have been learning how to play cricket and Cheviot have been creating artwork in the style of Steven Brown.
