BEFORE & AFTER SCHOOL

Please ensure that any outstanding June invoices for wrap around are paid immediately. Any unpaid accounts may result in your child losing their place. If you have any queries, please contact Mrs Large as soon as possible. Thank you.

Children in Cheviot Class have been very proactive and keen to learn more about bees and how they are in danger. They came up with a fantastic idea and have asked if we can have a non-uniform day to raise money to buy the plants for our bee garden. Well done to Brodie for designing this poster. Remember the designs can also be submitted to the Big Bee Challenge at BBC Radio 2. Let's wear yellow and black (if you can) to support the bees and help Cheviot class raise enough money! Donations paid via parent mail please you should have already received the email link.

This week at Parish...

Year 1 have been handling money, the caterpillars in Cheviot class are now chrysalis and will be butterflies within ten day. Years 3 and 4 are learning about William Morris and have been creating their own printed wallpaper and rotating their nature inspired images.
