This week's TT Rockstars have been:

Teeswater: David
Dorset Downs: Sebastian
Dalesbred: Leo
Oxford:

Cheviot: Logan
Herdwick: Sasha

Well done everyone

Thank you to all the parents and staff who have supported the school community this week as we had to close a bubble for the first time. We appreciate that it has been challenging for everyone but by working together, we have ensured that all children have access to learning, helped families with siblings in other year groups and delivered lunches direct to pupils. Most importantly, when we follow the guidelines, it keeps everyone safe.

Despite having to access their learning remotely, Children in Cheviot class have produced some great work this week. Don't forget that the non-uniform day, to raise money for the bee garden, has been moved to next Friday.

Save the bees work. Some great research guys!

Challenge 2: All the Plants Bees like

The bees only search for honey during spring and summer months as there will be no pollen inside the flowers. So these are the plants they would go for in spring, early summer, high summer and late summer.

Species of bees

1. Honeybee
2. Orange Tailed Hummingbird
3. Bumblebee
4. Leafcutter Bee
5. The Drone
6. Common Noddy
7. Honey Wasp

Your wonderful art work, in the style of Piet Mondrian

This week at Parish...

We planted our herb garden. Thank you to Dolce for providing the plants. Jenny is excited to start using the herbs to make our school dinners even more delicious!

SUNDAY
4TH JULY

#THANKYOU DAY

On Monday, we shall be celebrating Thank You Day in our collective worship. Why not check it out and find out what you could do to say 'Thank You' this Sunday.

Summer Reading Challenge 2021

Presented by The Reading Agency.
Delivered in partnership with libraries.

Go Green with the Summer Reading Challenge 2021!

Children can once again sign up for the Summer Reading Challenge at their local library during the holidays. This year the theme is Wild World Heroes and is all about nature and looking after the planet.

The challenge is to read 6 library books of their choice and collect special stickers and other prizes along the way – everyone who finishes will receive a limited edition Wild World Heroes medal and a certificate. Any child aged 4 to 11 can join in and the challenge runs from Sat 10th July until Sat 11th Sept.

There will also be a fantastic programme of online activities to go with the challenge – whilst there will be some pre-recorded activities available on the @nycclibraries Facebook page, many of the activities will require bookings to be made via eventbrite
