Parent/Carer Consultation Meetings

These will be held during the week beginning the 18th October. After the success of the virtual meetings last year, these will be held via Microsoft Teams. Your child's class teacher will be contacting you so that you can make an appointment at a mutually agreed time. Please let us know if this will be difficult for you, so we can make alternative arrangements.

Don't forget
Parents'
Evening!

Thank
you

Your children are a credit to you and our school. They behaved impeccably walking to and from Church, not an easy task taking over 200 children up the High Street!! Thank you to our parent helpers.

Thank you for your very generous donations for our Harvest Festival, these will be making their way to the Skipton Food Bank, It was lovely to be back in Church again and to welcome so many friend and family to the service.

We have never had such a large congregation, and the children 'lifted' the roof with their amazing signing. We are looking forward to seeing you again for our Christmas Service in December.

Years 5 and 6 visited the Skipton Academy to put into practice what they have learnt in PE over the last few weeks for a touch rugby tournament.

This week at Parish....

We all took part in our Harvest Service at Church. Every class read the prayer they had written for this special occasion.
