Wednesday 15th December

Christmas Jumpers

Christmas Lunch

Christmas Fair activities in class

Around school this week

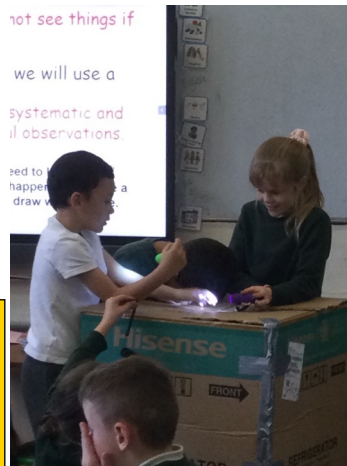

Well done to all our Year 6 pupils who took part in a Basketball tournament at Sandylands this week. They competed in a fantastic spirit and their brilliant behaviour was commented on by staff at the centre. We are so proud of you.

Suffolk class had an exciting morning on Wednesday when they had a visit from some firefighters and got to explore a real-life fire engine.

Years 3 and 4 have been carrying out investigations into light in Science, in RE they were understanding the deeper meaning of the festival of Diwali by using shadow puppets to tell the story of Rama and Sita and in computing they were using coding to create dialogue between their characters.

Years 5 and 6 have been planning a Greek meal in DT and in English they have been using persuasive language to argue for and against mining on the fictional planet of Pandora.
