## COVID-19

Please could we remind parents not to send children to school who have any of the symptoms of Covid. Children should not return to school until they have had a negative PCR test or have completed their isolation period. The main symptoms are:

Persistent Cough

Fever

Loss of sense of taste or smell

We are aware, however, that a few children have presented with headache and stomach ache and have then gone on to test positive for Covid 19. Although these are not the officially recognised symptoms of Covid 19 we are asking parents to be particularly vigilant if their child is displaying these symptoms.

Children should still attend school if another person in their household tests positive and they themselves have no symptoms, but we would strongly recommend that they take a daily lateral flow test and isolate following any positive test.

Please report any Covid absences to

This email is monitored outside office hours.

## INSET DAYS

There has been some confusion about the school calendar: The school will be closed to pupils on the following days for staff training. The full calendar is available on the school website.

This week many Year 6 pupils have been on a residential visit to Ullswater Outward Bound centre. They have had a fantastic time, challenging themselves and taking part in lots of exciting activities including canoeing, swimming in Lake Ullswater, going on a gorge walk, climbing to the top of Sheffield Pike, playing games, roasting marshmallows and drinking hot chocolate.

A big thankyou to the staff who have made this such a wonderful experience for our children.

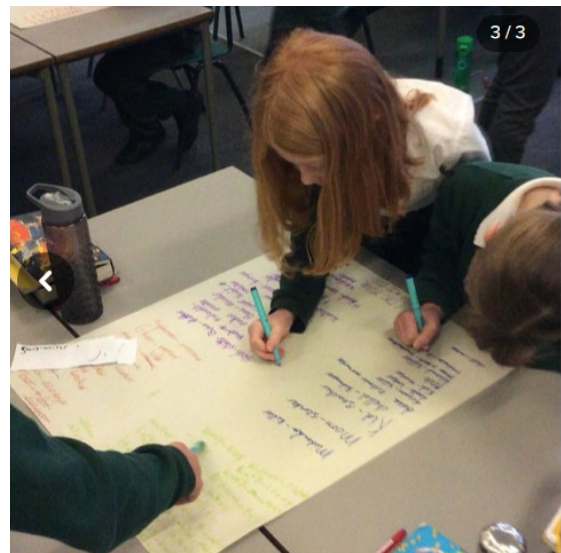

Well done everyone!

Year 6 pupils who remained in school spent a morning getting muddy in Skipton Woods.

Children in Dorset Downs have been brainstorming descriptions for their performance poem based on the character Starjik.
