

The Parish Post

18th February 2022

The latest news of Skipton Parish Church CE Primary School

This week's Pride of Parish have been:

Suffolk:	Joseph & Talia	Dorset Downs:	Oscar & Evie
Cotswold:	Elseigh & Han Han	Oxford:	Jessica & Zakir
Swaledale:	Aidan & Charlie	Cheviot:	Ellie & Brodie
Teeswater:	James-Thomas & Holly	Herdwick:	Lila & Lexii
Dalesbred:	Jacob & Bridget	Well done, we're all proud of you!	

Dear Parents and Carers,

As you may know, I have been in school over the last few weeks. It is wonderful to be back again, and would like to thank the entire staff team at Parish for everything they have done.

You will be pleased to know that there has been a significant drop in Covid-19 cases over the past few weeks. After the half-term break, and providing cases stay low, we will be removing any remaining Covid restrictions in school.

I hope you have a restful break and look forward to seeing you next half term.

Best wishes,

Lucy Peberdy

Reporting a Child's Absence

If your child is unable to attend school please let us know by 9am.

Call the school on 01756 793314 and select Option 1 to leave a message giving your child's name and a basic description of any illness and symptoms. If messages are sent to individual teachers they can get missed due to staff absence. If you have ordered a meal for your child then please cancel it before 9am on the School Grid website or you may get charged.

COVID REMINDER

In line with Government guidance, if your child has a high temperature, cough or loss of taste or smell, they MUST undergo a PCR test before coming back to school. Please call the school office if you need clarification.

Around school this week

In Maths Dorset Downs have been collecting information to be represented in pictograms. In PE they have been learning and practising ball skills.

Cheviot class have been writing and illustrating guides for survival in the Amazon Rainforest. Next term they hope to be able to share them with their reading partners in KS1.

In maths Suffolk class have been looking at measuring volume while in science they have been continuing to look at floating and sinking and have been busy building boats.

There has been lots of printing work being done throughout the school this half term. Some classes have been making prints inspired by Andy Warhol, others have been working together to make block-printed wallpaper. Cotswold class have been creating monoprints finished off with watercolours, inspired by the work of the artist Paul Klee. Parish is looking very colourful at the moment.
