

18th May 2022

Dear Parent/Carer

Admission Arrangements for Skipton Girls' High School – Entry into Year 7, September 2023

Skipton Girls' High School undertakes its own selection testing. We are keen to make sure that all parents/carers in the area have all the information they need to make the best choice for their daughters' secondary school. It may be helpful to note that every year, we are able to offer places to a significant number of girls who live outside our normal priority area.

I have outlined below early notice of some of the important dates in the process and where to find further information.

Year 5 Open Evening for September 2023 entry, Thursday 14th July 2022

The school will be open to pupils and their parents/carers with the opportunity to visit classrooms and attend a presentation on our admissions procedure. The school is open from 6.00pm-8.30pm and there will be two presentations during the evening. Presentations will be at 6.15pm and repeated at 7.00pm.

Closing date for the registration form: by midnight, Wednesday 24th August 2022

It is very important that if a parent/carer wishes their child to sit the selection tests, they should complete the online registration form by the above date. Without this, pupils will not be able to sit our selection tests and therefore, cannot be considered for a place at Skipton Girls' High School.

Selection tests will be held on Saturday, 24th September 2022

The selection tests will be held at Skipton Girls' High School from 9.15am until approximately 1pm.

Our Admissions Booklet for 2023 Entry, online registration form and further information on the school is available from our website: www.sghs.org.uk/parents-carers/admissions/admissions-to-year-7

Please do not hesitate to contact admissions@sghs.org.uk if you have any queries or need further information.

Yours faithfully

Mr M Turner
Headteacher
